

In the Evolution of Security Integration **ONE evolved.**

Intevo integrates access control, IP video and intrusion into one common and powerful platform to deliver a holistic security solution. It's pre-loaded with Kantech's EntraPass Corporate Edition software, exacqVision video management software, and includes support for DSC PowerSeries and MAXSYS intrusion alarm panel integration. It is pre-configured to support EntraPass Go mobile app and EntraPass Web remote user platform. Intevo is easy to configure and includes a customized dashboard for easy system management.

Real-Time Identification/ Authentication

Seamless integration of exacqVision video management software and American Dynamics DVRs/NVRs (VideoEdge, HDVR, ADTVR and Intellex) provides real-time video monitoring and playback.

Resolution Refined – Integration Redefined

Add Illustra IP cameras (mini-dome, bullet and box cameras) to Intevo for a fully integrated digital video surveillance solution.

The Freedom To Manage Security Real-Time, Anytime, Anywhere

With EntraPass Go, you can manage your security, in real-time, any time, from anywhere. You can control over 20 security tasks, including Create/Manage Cards, Lock/Unlock Doors, Request Reports and more. All with just a few taps on your mobile device.

So simple, so powerful. Download EntraPass Go from the App Store or Google Play. And get going.

Security Evolved

Think of Intevo as the safety belt for your enterprise. When great ideas come together to make your world safer, easier and more reliable, that's when you streamline security administration and save money.
